

Glendale Mouldings

Quality Policy

Glendale Mouldings is committed to being a high quality provider of injection-moulded plastic products, and other associated services, striving to exceed customer expectations.

To assist in this aim, our Quality Policy is:

- To establish and maintain a Quality Management System that satisfies the requirements of ISO 9001:2015, and any other customer-specific quality requirements.
- To consistently provide products and services in a manner that will satisfy customer requirements in all respects.
- To implement appropriate actions to address any risks and opportunities associated with internal / external issues, and to meet the needs and expectations of interested parties.
- To strive to continually improve the products and services provided to our customers, through the use of this Quality Policy, quality objectives, performance evaluation (including audit results), corrective actions and at Management Review.
- To establish quality objectives at strategic and operational levels within the Company, that will be measured, monitored and reported upon at the Management Review meetings.
- To comply, as a minimum, with all applicable statutory and regulatory requirements.
- To review the Quality Management System at planned intervals to ensure it is effective and achieving the stated Quality Policy.

By signing this Quality Policy, the Senior Management team demonstrate their full commitment to the above and actively encourage a similar commitment by personnel at all levels within Glendale Mouldings.
